DAD/S&D

Alternate Approaches for System XVI

Alternate approaches for System XVI are feasible. The desirability of these approaches is dependent upon specific requirements for the system. In accordance with your recommendation, [REDACTED] will present the alternate approaches Monday, 18 January at 1:00 in the Situation Room.

25X1A

The attendees for these presentations, including yourself, will be: [REDACTED]

25X1A

25X1A

The objective of this meeting will be to formulate a recommended OEL position for subsequent presentation to OSI, OSA and FMSAC representatives for coordination.
